

The WCCTV 4G Covert Mini Dome

WCCTV is the UK's most established and experienced provider of 4G enabled rapid deployment camera systems for public space monitoring.

We help our customers deliver real results (prosecutions, reduced crime and improved neighbourhood safety) by providing the highest quality technology backed by our world-class support services.

Redeployable CCTV is ideal for temporary, mobile or semi-permanent applications, and helps solve and reduce crime or the fear of crime. It allows the user to target specific hotspot areas, with the flexibility of being able to move the system to new locations as requirements change.

The WCCTV 4G Covert Mini Dome

The WCCTV Covert Mini Dome is a redeployable CCTV system specifically designed to discreetly blend into its environment and deliver live and recorded video via 3G/4G connectivity.

As an all-in-one rapid deployment surveillance solution, the Covert Mini Dome combines a high definition PTZ camera, local recording capacity (up to 4TB) and mobile wireless transmission technology into a single, lightweight unit.

The system is easy to install, easy to maintain, and can be moved to new locations to meet your changing requirements.

Live and recorded footage can be accessed via wireless networks including 4G, 3G and Wi-Fi connectivity, allowing users to remotely view and download the video via mobile devices (smartphone, tablet, laptop or PC) or via existing video management systems.

The system is ideal for rapid deployment, and requires minimal supporting infrastructure for operation.

WCCTV Service

At WCCTV, we understand that each unique deployment of Redeployable CCTV cameras has different objectives, challenges and requirements.

That's why we have invested not just in world-leading technology, but also in the support services that enable our clients to effectively deploy their systems, get the results they desire and make their lives easier.

Services we provide include:

- Dedicated Telephone Support Team
- Remote Commissioning
- Onsite Assistance by WCCTV Engineers
- Performance Reports
- Onsite Training
- Remote Training
- Online Interactive Training Guides and Videos
- Service and Support Bundles

Features & Benefits

- Covert redeployable CCTV system
- High definition video (up to 720p)
- 4G LTE, 3G, Wi-Fi and IP connectivity
- Day/night camera
- Remote control and configuration of PTZ functionality
- Remote access to live and recorded footage via smartphone, tablet, laptop or PC
- Low power usage
- ONVIF compatible
- Easy to install and easy to maintain
- Lightweight unit (6 kg)

Possible Applications

- Fly tipping and environmental crimes
- Access control
- Infrastructure management
- Traffic monitoring
- Information gathering
- Bespoke applications

General	Dimensions (HxWxD)	215.9mm x 177.8mm x 114.3mm
	Operating Temperature Range	-30 to +50°C
	Power	110-240 Volt input (mains powered) or 12 Volt DC (battery powered)
	Power Consumption	24W
	Weight	7 KG
Video	Video Inputs	1
	Operation	Simultaneous live, record, playback, remote access
	Optical / Digital Zoom	30x / 12x
	Resolution of Camera	Up to 1080p
	Maximum FPS	25
	Recording	Proprietary narrowband algorithm
	MutiMode (Recording Algorithms)	Dynamically changes record rates and compression settings for the camera
	Snapshot Video Clip	Yes
	Video Motion Search	Yes
	Archive Protection	Yes - protect against overwrite
	Wireless Communication	Supported via suitable interface - GSM, GPRS, UMTS, HSDPA, HSDPA, HSCSD, CDMA, 3G, 4G LTE
Storage	Internal Capacity	Up to 4TB
	HDD Types	Removable SATA hard disk drive
	Export	4G/ network / optional removable SATA hard disk drive
Alarms	Alarms	1 camera control, 1 alarm, 1 arming / disarming and 2 auxiliary inputs
	Alarm Function Support	Alarm log, event search, pre-event recording
	Alarm Reporting	Yes - to a remote site via email
	Display Alarm on PC Monitor	Yes or Network / 4G
	Relays	2 relays - system error and/or remote control purposes
	Video Motion Detection	Yes
Networking	Remote PC Client	Client Software Free Download
	Remote Web Browser Client	Viewing
	Password Protected	Yes
	Remote Smartphone (iPhone) Compatible	
	Remote Tablet (iPad) Compatible	
	Software Upgrade	Internet / 4G / back to back PC
Warranty	12 months warranty with options for extended warranty
